RE: NEW WATER RATES

Dear Water Customer:

Changes to your water rates are subject to the regulations created as a result of Proposition 218. The DWP conducted a formal public hearing regarding its water rates in accordance with Proposition 218 on October 6, 2009. In the absence of a majority protest, the DWP's Board of Commissioners voted to recommend changes to your water rates.

On October 26, 2009, the Big Bear Lake City Council approved changes, as outlined below, to your water rate structure, as recommended by the DWP's Board of Commissioners.
